NYC INTERNSHIP PROGRAM

Are you applying for an internship in NYC for 2010/2011?

yes no

If **yes**, an internship questionnaire will be required after admission.

List all software competencies:

Specific internship matches can not be guaranteed, but if you are interested in working in a particular studio, firm, agency or kind of business, please list your preferences below. (More details requested in placement questionnaire after admission.)

Additional information to be submitted with this application:

- your most recent university transcript; Cornell students may submit a transcript obtained from *Just the Facts* on the university's website
- **only for students outside Cornell's College of Architecture, Art, and Planning who are applying to the Art Studio or Architecture Design Studio:** a portfolio (cd format) of up to ten pieces representative of your work
- **only for students outside of Cornell's College of Architecture, Art, and Planning:**
 - two faculty recommendations
 - typed one-page statement outlining your interests and goals for a semester with AAP NYC
- There is no application fee.
